Hello Shanda,

The County Ethics Code allows Mr. Lopez to participate in a local seminar sponsored by AppSense, a County vendor, and to accept lunch provided by AppSense.

We understand that Mr. Lopez will discuss the County's reasons for choosing AppSense software to manage the County's user profiles for virtual desktops users. As I am sure you and Mr. Lopez are aware, divulging confidential information obtained through one's County employment is prohibited under the County Ethics Code at Sec. 2-11.1 (h).

Sec. 2-11.1 (w) of the County Ethics Code is not triggered in this case because the event is being held locally and no travel expenses are being provided by the County vendor. Assuming that the lunch is valued at less than \$100, Mr. Lopez is not required to disclose it as a gift, as per Sec. 2-11.1 (e)(4).

If you have additional questions, please contact Joe Centorino, Executive Director, or Gilma Diaz-Greco, Staff Attorney, with the Ethics Commission.

Sincerely,

VICTORIA FRIGO, SENIOR STAFF ATTORNEY

Good afternoon Shanda,

It is just a free lunch. We recently purchased their software; therefore, they would like me to discuss why we chose their software and our plans with it. It is that simple.

What is involved here? It is a local event so no travel expenses. Is there a registration fee to attend that is waived for you as speaker? Is it just a free lunch?
