Juan Kuryla, Seaport Director, inquired regarding his acceptance and attendance, along with his wife, of an invitation from Qatar Airways to a reception held at the St. Hotel Bal Harbour Resort, in recognition of the launching of non-stop flights between Miami and Doha. Mr. Kuryla attended the reception with his wife, where both of them received gifts that included headphones valued at more than \$100. Qatar has initiated the service from MIA. Mr. Kuryla does not anticipate having any connection with Qatar Airways in his position at the Seaport. Mr. Kuryla was advised that he should report the reception and headphones for himself and his wife on quarterly state gift forms.
