Ms. Crespo:

Thank you for your inquiry concerning outside employment. Your request has been forwarded to Staff Attorney Gilma Diaz-Greco for response. You should be hearing from her shortly.

Subject: Training for Private School Bus Drivers

Good morning,

My question is about First Aid Training Certification. I have a part time business conducting CPR and First Aid Training and have summited my outside employment form and I have our director's approval. Can I offer my services to the Private School Bus Driver's that need the First Certification to renew their license to drive their private school buses in Miami-Dade County? Please let me know.

Kind regards,

Elisa Crespo
