Good afternoon Ms. Sanchez,

I just sent you the email with all of the member's names, please confirm receipt. The question on financial disclosures was already answered by Mr. Keith Knowles, please see below, and our members are not required to submit the financial disclosure. The question that has not been answered is if they need to attend the Advisory Board Training.

Thank you

Maggie,

I apologize for the delay. The financial disclosure or source of income are not required according to the Ethics opinion. The training you're referring to, is that Ethics training for the board? If so, please schedule that with Robert Thompson or Rhonda Sibilia of the Ethics Commission.

Dear Ms. Rivero-Gomez,

I was discussing this issue with our financial disclosure coordinator, Rodzandra Sanchez. She advised that it would be helpful to know some of the board member names in order to verify whether they are in our records. Would you be so kind to provide them to her?

Good morning Ms. Sibilia and Mr. Thompson

I attended the Board Coordinator's training earlier this month and spoke to Ms. Shania Moore regarding the requirements for the Port of Miami Crane Management, Inc's (PMCM) Board Members. Ms. Moore was going to find out for me if the PMCM Board Members were required to complete and submit the Source of Income Disclosure. Ms Moore was also going to find out if the PMCM Members were also required to attend the Ethics Training. Unfortunately Ms. Moore is not in and all I've been able to obtain from Mr. Knowles is that our Members do not have to complete the source of income form, but I still do not know if they have to take the training or not.

For your convenience I would like to let you know that the Port of Miami Crane Management, Inc., Board was created pursuant Resolution R-671-99 on November 11, 1999 and sometimes the requirements for other Boards and Board Members to do not pertain to the PMCM Board Members. Therefore, would you be able to find out for me?

Thank you so much for your assistance.
